The personal data provided by users will be processed in compliance with the provisions of EU Regulation no. 2016/679 (for brevity “GDPR”).

## **Data Controller**

The Data Controller is the Italtotec Consortium (C.F./VAT number 02429600121), with registered office in Milan in Piazza della Trivulziana 4/A, in the person of the legal representative pro tempore at certified email: [consorzio@pec.italtotec.it](mailto:consorzio@pec.italtotec.it)

## **Legal basis of the Processing**

The legal basis for the processing of the data indicated in this information is the express consent of the interested party pursuant to art. 6 paragraph 1 letter. a) GDPR and compliance with the legal obligations to which the Data Controller is subject pursuant to art. 6 paragraph 1 letter. c) GDPR.

## **Categories of Data – Purposes of the processing - Processing methods - Data retention period**

The Data Controller processes personal data of a common nature (name, surname, company, e-mail) for the purpose of receiving the Certificate of Participation in the training and, if requested explicitly, further information on the BIN2BEAN project.

The processing of your data using IT and telematic tools (and/or manual tools) will be carried out by the staff and collaborators of the Italtotec Consortium (internal or external, natural or legal persons) expressly authorized.

Personal data are processed with automated tools for the time strictly necessary to achieve the purposes for which they were collected, pursuant to Article 5 letter e) GDPR. The verification of the obsolescence of the data stored in relation to the purposes for which they were collected is carried out periodically.

Specific security measures are observed to prevent the loss of data, illicit or incorrect use and unauthorized access.

## **Categories of recipients of Personal Data**

The data being processed may be communicated, in addition to the subjects referred to in the paragraph "Purpose of the processing - methods of processing", also to the judicial authority for the need to ascertain any unlawful acts.

Personal data may be used by employees and collaborators of the Consortium only and exclusively for institutional purposes.

Personal data may also be transmitted to subjects who process the images acquired in execution of specific contracts and who will be appointed for this purpose as Data Processors to be carried out according to the instructions given by the Data Controller in compliance with the provisions of the legislation.
